

## Course Outcomes

<b>UG Course Outcomes</b>	
<b>Semester 1</b>	
<b>Course Name</b>	<b>Methodology And Perspectives Of Business Education</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1121/ TT1121/CX 1121
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can explain the role of business & its environment in economic development
CO 2	The students can distinguish the comprehensive and integrated perspective to business education
CO 3	The students can discuss ethical practices in business
CO 4	The students can identify various methods of learning and presenting business information
CO 5	The students can explain the various aspects of human capital management
<b>Course Name</b>	<b>Environmental Studies</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management, B com Tax Procedure and Practice
Course Code	CO 1141/TT1141/CX 1141

<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can basic ideas about environment and emerging issues about environmental problems.
CO 2	The students can distinguish the need and importance of environmental protection
CO 3	The students can discuss the social issues of environment
CO 4	The students can identify various methods of conservation of natural resources
CO 5	The students can explain the various aspects of conservation of bio diversity.

<b>Course Name</b>	<b>Management Concepts And Thought</b>
--------------------	--

Programme Name	B Com (Finance , Co-operation , Computer Application)
----------------	---

Course Code	CO 1142
-------------	---------

<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can understand the nature and evolution of modern management
CO 2	The students can identify the management process
CO 3	The students can clarify different communication barriers
CO 4	The students can recall communication and motivation theories
CO 5	The students can explain leadership styles and different qualities of an effective leader

--	--

<b>Course Name</b>	<b>Managerial Economics</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com Tax Procedure and Practice
Course Code	CO 1131/CX 1131
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students are able to understanding general economic conditions of the firm.
CO 2	Students are able to apply determining demand of the product and demand forecast.
CO 3	Students are able to apply production theories in the business
CO 4	Students are aware to fixation of product price and apply promotional strategies on the basis of the economic conditions of the business.
CO 5	Acquiring knowledge for identifying problems faced on different stages of business cycles.
<b>Course Name</b>	<b>Tourism Principles and Practices</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1171
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Can able to familiarize with the basic concepts of tourism.
CO 2	Can able to acquaint knowledge on Tourism Management.
CO 3	Can able to understand the trends in tourism.

<b>Course Name</b>	<b>Social psychology</b>
Programme Name	B com tourism and Travel Management
Course Code	PG 1131.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Describe the basic social psychological concepts and relevant methods
CO 2	Identify skills pertaining to evaluating the realities in social situations.
CO 3	Express the social influence processes particularly the influence of others on individual behaviour and performance
CO 4	Explain the social affective processes including people's harming and helping behaviours
<b>Course Name</b>	<b>Principles of Taxation</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1171
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify basic principles of taxation in India
CO 2	The students can understand on sources of public revenue Indian tax system.
CO 3	The students get a basic knowledge on the role of tax laws in constitution and different classification of taxes

CO 4	The students can discuss the different tax systems in india
CO 5	The students can summarize direct and indirect taxes.
<b>Semester 2</b>	
<b>Course Name</b>	<b>Informatics And Cyber Laws</b>
Course Code	CO 1221/ TT 1221/CX 1221
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com Travel and tourism Management , B com Tax Practice and Procedure
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the students the knowledge of informatics and cyber laws.
CO 2	The students can understand social informatics
CO 3	The students can explain the application of IT in society
CO 4	The students can identify the different cyber crimes .
CO 5	The students can recall the students the knowledge cyber offenses.
<b>Semester 2</b>	
<b>Course Name</b>	<b>Financial Accounting</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com Travel and tourism Management , B com Tax Practice and Procedure
Course Code	CO 1241/TT 1241/CX 1241
<b>CO no</b>	<b>Course Outcome</b>

CO 1	The students can identify the concept of accounting procedures and different methods of depreciation
CO 2	The students can distinguish the accounts procedures of hire purchase system and installment system
CO 3	The students can discuss the accounting procedures of Voyage ,package and container accounts
CO 4	The students can explain different investment accounts
CO 5	The students can identify the procedures related to insurance claims
<b>Course Name</b>	<b>Business Regulatory Framework</b>
Programme Name	B Com (Finance , Co-operation , Computer Application)
Course Code	CO1242
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can discuss a brief idea about the framework of business laws
CO 2	Students can clarify the provisions of business law in business activities
CO 3	Students can define the provisions related to sale of goods act
CO 4	Student can summaries the different powers, duties, and responsibilities of different regulatory authorities
CO 5	Students can state the process of special contract

<b>Course Name</b>	<b>Business Mathematics</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com Tax Procedure and Practice
Course Code	CO 1231/CX 1231
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can identify the concept of Number sense
CO 2	The students can Clarify the students with the basic mathematical tools.
CO 3	The students can applying mathematical tools in business practice
<b>Course Name</b>	<b>Emerging Trends in Tourism</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1271:
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Can able to identify the trends in tourism
CO 2	Can able to define and describe the concepts of E - tourism
CO 3	Can able to explain the role of event management for promotion of tourism
CO 4	Can able to discuss MICE tourism and its impact and to identify benefits of conventions
<b>Course Name</b>	<b>Communication and Interpersonal Skills</b>

Programme Name	B com tourism and Travel Management
Course Code	PG 1231.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	State the verbal and nonverbal processes of communication.

CO 5	Express listening and communicating competence.
CO 6	Identify the importance of positive relational attitudes
<b>Course Name</b>	<b>Income Tax Law &amp; Practice I</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1271
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can define income tax, residential status and scope of total income
CO 2	The students can define income tax, residential status and scope of total income
CO 3	The students can carryout income from salary

CO 4	The students can carryout computation of gratuity, pension and provident fund
CO 5	The students can carryout income from house property
<b>Semester 3</b>	
<b>Course Name</b>	<b>Entrepreneurship Development</b>
Programme Name	B Com (Finance , Co-operation , Computer Application)
Course Code	CO 1341
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the knowledge of successful entrepreneur.
CO 2	The students can familiarize the students with the latest programmes of Government in promoting small and medium industries
CO 3	the students can explain preparation of Feasibility Report
CO 4	The students can prepare Performa of a Project Report
CO 5	The students can regarding starting of new ventures
<b>Course Name</b>	
<b>Advanced Financial Accounting</b>	
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1342/ TT1342/CX 1342

<b>CO no</b>	<b>Course Outcome</b>
CO 1	Can able to understand accounts related to dissolution of partnership firms
CO 2	Can able to apply the system of accounting for different branches and departments.
CO 3	can able to prepare the accounts of consignments

<b>Course Name</b>	<b>Company Administration</b>
Programme Name	B Com (Finance , Co-operation , Computer Application)
Course Code	CO 1343
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can able to familiarize provisions Indian companies Act 2013.
CO 2	Students can able to acquaint knowledge of management and administration of company.
CO 3	Students can able to acquaint Knowledge of company formation and winding up procedures .
CO 4	Students can able to familiarise provisions of preparations of different company documents.
<b>Course Name</b>	<b>Financial Management</b>

Programme Name	B Com Finance
Course Code	CO 1361.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can understand the conceptual framework of financial management.
CO 2	Students can understand the practical application of cost of capital.
CO 3	Students can analyse the capital structure decisions
CO 4	Students can apply the capital budgeting methods.
CO 5	Students can evaluate the estimation of working capital requirements.
<b>Course Name</b>	<b>Principles of Co-Operation</b>
Programme Name	B Com Co-Operation
Course Code	CO 1361.2
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The student can define different aspects of cooperation like economic, social and moral elements.
CO 2	The student can explain origin and development of co-operation in Kerala and world.
CO 3	the student will apply principles of co-operation with the management and working in different co-operatives.

CO 4	The student will understand different co-operatives and their federations
CO 5	the student can discuss different co-operatives like primary cooperatives, urban, dairy, processing co-operatives etc. and also discuss co-operative movements in different nations.
<b>Course Name</b>	<b>Computer Application For Publications</b>
Programme Name	B Com Computer application
Course Code	CO 1361.2
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can identify functional knowledge in the field of free software.
CO 2	Students can generate practical skills in document preparation, publishing and business presentation.
CO 3	Students can generate skills in electronic data processing and computer application in business operations.
CO 4	Students can create simple to complex multi-page documents such as brochures, flyers, books and magazines.
CO 5	Students can develop professional-level presentations
<b>Course Name</b>	<b>Management Concepts And Thought</b>
Programme Name	B com tourism and Travel Management and B com Tax Procedure and Practice
Course Code	TT 1341/CX 1341

<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can understand the nature and evolution of modern management
CO 2	The students can identify the management process
CO 3	The students can clarify different communication barriers
CO 4	The students can recall communication and motivation theories
CO 5	The students can explain leadership styles and different qualities of an effective leader

<b>Course Name</b>	<b>Tourism Marketing</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1371

<b>CO no</b>	<b>Course Outcome</b>
CO 1	Can able to familiarize with the basic concepts of tourism marketing.
CO 2	Can able to acquaint knowledge on Marketing tourism industry.
CO 3	Can able to understand the trends in tourism marketing.

<b>Course Name</b>	<b>Tourism Regulations</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1372

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Can able to familiarize with the tourism laws and regulation.
CO 2	Can able to acquaint knowledge on Accommodation and Catering regulation.
CO 3	Can able to understand the Environment protection and conservation .

--	--

<b>Course Name</b>	<b>Personality Development</b>
--------------------	--------------------------------

Programme Name	B com tourism and Travel Management
----------------	-------------------------------------

Course Code	PG 1331.1
-------------	-----------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Demonstate a self-reflexive relationship with themselves to deal with future challenges
------	---

CO 2	Illustrate different skills needed for effective living
------	---

CO 3	Examine biological and environmental influences on personality development
------	--

------	--

--	--

<b>Course Name</b>	<b>Income Tax Law &amp; Practice II</b>
--------------------	---

Programme Name	B com Tax Procedure and Practice
Course Code	CX 1371
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can prepare the profit and gains of business or profession
CO 2	The students can carry out computation of income from capital gain
CO 3	The students can summarize the computation of income from other sources
CO 4	The students can use the method of calculating gross total and total income
CO 5	The students can clarify the deduction under Income Tax Act
<b>Course Name</b>	<b>Recovery and Refund of Income Tax</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1372
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify different modes of recovery of tax
CO 2	The students can use the method of calculating TDS and TCS
CO 3	The students can carry out computation of advance payment of income tax
CO 4	The students can clarify the different methods of refund of tax

CO 5	The students can summarize the computation of interest payment related to assessee
------	--

### Semester 4

<b>Course Name</b>	<b>Indian Financial Market</b>
--------------------	--------------------------------

Programme Name	B Com (Finance , Co-operation , Computer Application)
----------------	---

Course Code	CO 1441
-------------	---------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Students can able to captured depth knowledge on financial and its operations
------	---

CO 2	Students can able to clear idea about the functioning of primary market.
------	--

CO 3	Students can able to captured knowledge for trading participation in the secondary market
------	---

CO 4	Students can able to captured knowledge for the derivatives market
------	--

CO 5	Students can able to captured the powers and functions of the SEBI
------	--

<b>Course Name</b>	<b>Banking And Insurance</b>
--------------------	------------------------------

Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
----------------	--

Course Code	CO1442/ TT 1442/ CX 1442
-------------	--------------------------

<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can recognize various banking and non banking functions .
CO 2	The students can interpret the transferability and negotiability of negotiable instruments.
CO 3	the students can identify the innovations and reforms in Banking.
CO 4	The students can describe the importance of Insurance and its functions.
CO 5	The students can summarize the types of Insurance claims and regulations.
<b>Course Name</b>	<b>Corporate Accounting</b>
Programme Name	B Com (Finance , Co-operation , Computer Application)
Course Code	CO 1443
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can create awareness about corporate accounting in conformity with the provisions of Companies Act, IAS and IFRS
CO 2	The students can able to prepare accounts of banking and insurance companies.
CO 3	The students can able to prepare and interpret financial statements of joint stock companies.
CO 4	The students explain the internal reconstruction procedure of joint stock companies

CO 5	The students can compute and interpret awareness regarding Earnings per share
<b>Course Name</b>	<b>Project Finance</b>
Programme Name	B Com Finance
Course Code	CO1461.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can identify the concept of project finance
CO 2	Students can interpret the financial techniques for project appraisal and feasibility
CO 3	Students can analysis the risk in capital investment decisions
CO 4	Students can classify the various sources of finance
CO 5	Students can recognize the important of economic allocation of resources
<b>Course Name</b>	<b>Co-Operative Management And Administration</b>
Programme Name	B Com Co-Operation
Course Code	CO 1461.2
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can describe the concept of principles related with co-operative management and administration.

CO 2	The students can identify the issues related with management and administration of co-operatives.
CO 3	The students can discuss the administrative set up of co-operative department in kerala.
CO 4	The students can clarify the co-operative education and training in kerala.
CO 5	The students can explain working and management of different co-operative organisations like NAFED,NABARD,NDDB etc.

--	--

<b>Course Name</b>	<b>Software For Data Management</b>
--------------------	-------------------------------------

Programme Name	B Com Computer application
----------------	----------------------------

Course Code	CO 1461.5
-------------	-----------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Students can able to identify the students with the basics of Software for data management.
------	---

CO 2	Students can able to discuss the concepts of spread sheet application,
------	--

CO 3	Students can able to develop practical skills in spread sheet application,
------	--

CO 4	Students can able to develop practical skills in statistical software
------	---

CO 5	Students can able to develop practical skills in database application
------	---

--	--

<b>Course Name</b>	<b>Business Statistics</b>
--------------------	----------------------------

Programme Name	B Com (Finance , Co-operation , Computer Application) , B com Tax Procedure and Practice
Course Code	CO 1431/ CX 1431
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can gain understanding of statistical techniques those are applicable to business
CO 2	The students can apply statistical techniques in business
CO 3	The students can understand construction of index numbers
CO 4	The students can understand time series analysis
<b>Course Name</b>	<b>Business Regulatory Framework</b>
Programme Name	B com tourism and Travel Management and B com Tax Procedure and Practice
Course Code	TT1441/ CX1441
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can discuss a brief idea about the framework of business laws
CO 2	Students can clarify the provisions of business law in business activities
CO 3	Students can define the provisions related to sale of goods act
CO 4	Student can summaries the different powers, duties, and responsibilities of different regulatory authorities
CO 5	Students can state the process of special contract

<b>Course Name</b>	<b>Tourism Products</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1471
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can able to identify the tourism products
CO 2	Students can able to define and describe the natural and cultural tourism product
CO 3	Students can able to explain the role of cultural and natural tourism
CO 4	Students can able to discuss benefits of religious tourism
<b>Course Name</b>	<b>Tour Guiding And Escorting</b>
Programme Name	B com tourism and Travel Management
Course Code	TT 1472
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can able to identify the role of tour guide
CO 2	Students can able to define and describe the concepts of tour guide and escorting
CO 3	Students can able to explain the role of tour guiding and escorting in promotion of tourism

CO 4	Students can able to discuss impact and benefits of tour guiding and escorting
<b>Course Name</b>	<b>Organizational Behaviour</b>
Programme Name	B com tourism and Travel Management
Course Code	PG 1431.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Examine group dynamics in an organisational setup.
CO 2	Determine conflict and peace making strategies in organisation.
CO 3	Differentiate leadership processes on the basis of themes.
CO 4	Describe conceptual and theoretical bases of work motivation.
CO 5	Identify the relationship between performance,job attitude and organizational outcomes.
<b>Course Name</b>	<b>Income Tax Assessment I</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1471
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the assessment procedure and filing of return of income of various assesses
CO 2	The students can prepare the total income and tax liability of individuals

CO 3	The students can Carry out computation of total income and tax liability of HUF
CO 4	The students can use the method of calculating total income and tax liability of the firm
CO 5	The students can summarize the computation of total income and tax liability of AOP/BOI

--	--

<b>Course Name</b>	<b>Income Tax Assessment II</b>
--------------------	---------------------------------

Programme Name	B com Tax Procedure and Practice
----------------	----------------------------------

Course Code	CX 1472
-------------	---------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	The students can prepare the total income and tax liability of companies
------	--

CO 2	The students can carry out computation of total income and tax liability of co-operative societies
------	--

CO 3	The students can use the method of calculating total income and tax liability of charitable trust
------	---

CO 4	The students can clarify the double taxation relief in income tax
------	---

CO 5	The students can clarify the electronic media in income tax
------	---

--	--

<b>Semester 5</b>	
-------------------	--

<b>Course Name</b>	<b>Fundamentals of Income Tax</b>
--------------------	-----------------------------------

Programme Name	B Com (Finance , Co-operation , Computer Application)
----------------	---

Course Code	CO 1541
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can attain knowledge in concepts and practices of Income Tax law in India..
CO 2	Students can discuss the fundamental concepts of Income Tax
CO 3	Students can compute the tax liability of Individual assesses
CO 4	Students can discuss on computation of income from salary & house property
CO 5	Students can to calculate income from business & capital gains
<b>Course Name</b>	<b>Cost Accounting</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1542 / TT 1542/ CX 1542
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can able to understand cost and cost accounting concepts
CO 2	Students can able to identify cost accounting as a distinct stream of accounting
<b>Course Name</b>	<b>Marketing Management</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice

Course Code	CO 1543/ TT 1543/ CX 1543
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can identify the contemporary marketing process in the emerging business scenario
CO 2	The students can differentiate various aspects of application of modern marketing techniques for obtaining a competitive advantage in business organisation
CO 3	The students can able to understand the consumer behaviour pattern.
CO 4	The students can able to identify different pricing strategies
<b>Course Name</b>	<b>Open Course : Principles Of Management</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1551.2/ TT 1551.2/ CX 1551.2
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can explain the fundamentals of management principles.
CO 2	The students can distinguish the fundamentals of management functions.
CO 3	The students can discuss the framework of management.
<b>Course Name</b>	<b>Financial Services In India</b>

Programme Name	B Com Finance
Course Code	CO 1561.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the knowledge of financial services in India
CO 2	The students can understand Fund based financial services and Fee based financial services
CO 3	The students can explain different methods of Leasing
CO 4	The students can identify the Significance of credit rating
CO 5	The students can recall the knowledge of Indian Financial system.
<b>Course Name</b>	<b>Co-Operative Legal System</b>
Programme Name	B Com Co-Operation
Course Code	CO 1561.2
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the knowledge of the co operative legal system prevailing in India .
CO 2	The students can understand Kerala co operative societies Act.
CO 3	The students can explain different methods of verification and vouching
CO 4	The students can management of co operatives

CO 5	The students can discourse the winding up and dissolution of co operative societies.
<b>Course Name</b>	<b>Web Designing And Production For Business</b>
Programme Name	B Com Computer application
Course Code	CO 1561.5
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can understand the functional knowledge in the field of Web design
CO 2	Students can summarize the practical application of HTML
CO 3	Students can develop practical skills in Web deigning
CO 4	Students can understand the creation and editing of Cascading style sheet
CO 5	Students can create blogs using XML
<b>Course Name</b>	<b>Entrepreneurship development</b>
Programme Name	B com tourism and Travel Management and B com Tax Procedure and Practice
Course Code	TT1541/ CX 1541
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the knowledge of successful entrepreneur.

CO 2	The students can familiarize the students with the latest programmes of Government in promoting small and medium industries
CO 3	the students can explain preparation of Feasibility Report
CO 4	The students can prepare Performa of a Project Report
CO 5	The students can regarding starting of new ventures

--	--

<b>Course Name</b>	<b>Sustainable Tourism Management</b>
--------------------	---------------------------------------

Programme Name	B com tourism and Travel Management
----------------	-------------------------------------

Course Code	TT 1571
-------------	---------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Can able to create interest in sustainable tourism development.
------	---

CO 2	Can able to acquaint knowledge in sustainable tourism.
------	--

CO 3	Can able to understand the benefits of sustainable tourism development.
------	---

--	--

<b>Course Name</b>	<b>Hospitality Management</b>
--------------------	-------------------------------

Programme Name	B com tourism and Travel Management
----------------	-------------------------------------

Course Code	TT 1572
-------------	---------

<b>CO no</b>	<b>Course Outcome</b>
--------------	-----------------------

CO 1	Can able to familiarize with hospitality industry.
------	--

CO 2	Can able to acquaint knowledge on various types of accommodation.
CO 3	Can able to understand the trends in tourism accommodation.
<b>Course Name</b>	<b>Income Tax Administration</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1571
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can familiarize procedure for filling appeal and types of revising
CO 2	.The students can clarify general principles for the imposing penalty
CO 3	The students can identify cases of a search and seizure
CO 4	The students can summarize the settlement of cases and advance ruling
CO 5	The students can clarify different income tax authorities in India
<b>Course Name</b>	<b>Customs Duty – An Overview</b>
Programme Name	B com Tax Procedure and Practice
Course Code	CX 1572
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can understand indirect taxes

CO 2	The students can understand the knowledge of the principles related to customs duty in India
CO 3	The students can understand the knowledge of basic concepts of customs Law
CO 4	The students can understand the export promotion schemes

## Semester 6

<b>Course Name</b>	<b>Auditing</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1641/ TT1641/ CX 1641
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can clarify the students the knowledge of auditing and auditing principles.
CO 2	The students can understand audit process
CO 3	The students can explain different methods of varification and vouching
CO 4	The students can identify the liabilities of auditor
CO 5	The students can recall the students the knowledge of investigation methods.
<b>Course Name</b>	<b>Applied Costing</b>

Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1642/ TT1642/ CX 1642
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Can able to understand different methods and techniques of costing
CO 2	Can able to apply the costing methods and techniques in different types of industries
<b>Course Name</b>	<b>Management Accounting</b>
Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1643/ TT1643/ CX 1643
<b>CO no</b>	<b>Course Outcome</b>
CO 1	Students can recognize with the management accounting concepts
CO 2	Students can discuss the decision making process
CO 3	Students can describe fund flow analysis and cash flow analysis
CO 4	Students can apply cash budget and flexible budget in budgeting process
CO 5	Students can summarize capital investment policy
<b>Course Name</b>	<b>Management Of Foreign Trade</b>

Programme Name	B Com (Finance , Co-operation , Computer Application) , B com tourism and Travel Management , B com Tax Procedure and Practice
Course Code	CO 1651.3 / TT 1651.3/ CX 1651.3
<b>CO no</b>	<b>Course Outcome</b>
CO 1	The students can recall India's foreign trade.
CO 2	The students can compare different regional economic groupings.
CO 3	The students can familiarize international trade
CO 4	The students can explain export and import procedures.
CO 5	The students can identify global markets
<b>Course Name</b>	<b>Taxation Law And Accounts</b>
Programme Name	B Com Finance
Course Code	CO1661.1
<b>CO no</b>	<b>Course Outcome</b>
CO 1	students can prepare different types of assessment
CO 2	Students can identify the concepts of corporate taxation
CO 3	students can summarize the assessment procedures
CO 4	students can distinguish the income tax authorities and their powers
CO 5	students can explain the different terms of Goods and service tax

<b>Course Name</b>	<b>Co-Operative Accounting</b>
Programme Name	B Com Co-Operation
Course Code	CO 1661.2
