ENVIRONMENT POLICY

Policy statement

Emmanuel College ensures to protect the Environment by maintaining a Green, Eco-friendly campus, and by creating an awareness among its stakeholders both as individuals and members of the society, so as to contribute to making the earth, our common home, a safe haven and a comfortable abode for the posterity.

Objectives

- ✓ Promoting & Benchmarking for environmental protection initiatives.
- ✓ To encourage projects on environmental assessment.
- ✓ To impart awareness about green clean campus.
- ✓ To initiate sustainability practices in the campus and among stakeholders.
- ✓ To maintain and monitor the sustainability and Eco friendly initiatives.
- ✓ Developing an environmental ethic and value systems among students.

Green Campus

Green Protocol: The college follows green protocol in all its official and public meetings, seminars and projects. The usage of single use plastics is strictly banned in the campus. Students are asked to avoid accumulation of plastic carrying bags.

Separate colour coded bins for different types of wastes are placed throughout the campus for proper collection, segregation and disposal of wastes.

Green landscaping and various varieties of trees are planted in the campus displaying their names.

Rain water harvesting: Water is collected from various surfaces, terrace, plains etc and redirected to catchment area where it percolates.
