EMMANUEL COLLEGE

VAZHICHAL, THIRUVANANTHAPURAM

A Latin Catholic Institution | Affiliated to the University of Kerala

TITLE: "DHYUTHI" - Illuminating excellence

A policy for distinctive college Advancement

The long-cherished dream of having a higher learning educational institution was realized with unrelenting and untiring hard works of a few enthusiastic priests of the Latin diocese of Thiruvananthapuram with ever burning desire laboured day and night to realize this desire. The college opened its threshold of wisdom and knowledge in 1995 with three UG programmes under the University of Kerala as a self-financing institution. Overcoming many hurdles and hardships, now it sails smoothly to frontier of purified and filtered knowledge of humanism. As a result, we could now afford 13 UG programmes and 5 PG programmes.

The Emmanuel college, Vazhichal has been acclaimed as one of the best model educations imparting advanced knowledge to the sphere of realizing the great expectations of 21st century. Students have been constantly remained the fact that ignorance is the evil force destabilisation the foundations of human society and has to be conquered by actively engaged in acquiring knowledge.

When the Latin diocese of Neyyatinkara come into existence in 1996. The administration of the college came under the new diocese. The administration implemented schemes and measures to boost the multi skill possibilities and avic realities and high morale among student community.

Distinct motivation imparted magnetized the students to be launched into the orbit of future achievements, where they rotate around the planets of ideas and attitudes. Various co-curricular activities are provided in which, they meet with the everlasting friendship of self confidence and self realization. The NSS volunteers, and the other interested students donate their blood to save other human beings in their medical need. Our students feel proud of donating their blood.

NSS is the heart of our institution where they have been trained to become responsible citizens participating in the nation building. Our NSS units have adopted the Puravimala Tribal school, Neyyar Dam which includes periodic visits by NSS volunteers taking class, motivating the students to fly in the wings of future hopes. They actively participate in the various programmes adopted by the University of Kerala. Empowering the week uplifting the needy and consoling the downtrodden are the few activities we engage in.

Emmanuel college stood with elegance and proud when we received the best NSS programme officer award by Mr. Sanal Kumar C –HOD Department of English during the year 2015-2016 witnessed the hard works and commitment of manpower propelled to complete the construction of two new houses to the most needy persons.

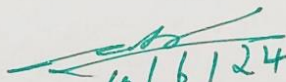

Tuition fees and allied expenses are realized only on the guidelines issued by the Government and University for the purpose. Both the "merit students and the management seat earners pay the same fees. Being a minority community institution, 50% of the seats are 'Management seats and 50% are 'Merit' Seats. The mode of admission and collection of fees.

Apart from the different Government scholarships like post metric scholarship, Single Girl-Child scholarship for P. G students, University merit scholarship, Financially Backward

(Forward community) scholarship etc, the management bestows special attention to mitigate the pitiable plight of the financially weak students. Thus when two students of the same parents study at the same time at this college, tuition fees concession is given. Students with both the parents lost are taught free of cost.

Under the leadership of Mr. Rajan. C Vice- Principal a placement cell functions creditably well. Several job-oriented courses have been arranged during the past several years in association with ASAP. MOUs have been signed with NIMS hospital Neyyattinkara.

Emmanuel College distinguishes itself through a commitment to fostering an apolitical environment, providing a space where academic pursuits take precedence over political affiliations. The institution places a premium on intellectual discourse and maintains a focus on education without interference from political biases. Moreover, the college's distinctive approach to supporting its faculty sets it apart by offering a generous six-month maternity leave. This policy reflects the institution's dedication to creating a supportive and inclusive workplace, acknowledging the importance of work-life balance for its faculty members during significant life events. Emmanuel College's emphasis on academic integrity, apolitical ethos, and supportive policies contributes to a unique and nurturing educational environment.
